# Families are Stronger Together

Imagine your child is sick and the only treatment is hours away from home. So many families face this reality every day in Manitoba, Northwestern Ontario, and around the world. Ronald McDonald House Charities® (RMHC) Manitoba is an organization that keeps families together through two core programs: Ronald McDonald House® and Ronald McDonald Family Room®.

## Keeping Families Together

The Adopt-A-Room program allows an individual, group, or organization to become a partner supporting RMHC Manitoba's core mission. Your support will provide a safe haven of integral care and a community of support, 365 days a year, for families from Manitoba, Northwestern Ontario, and beyond.

# So Many Ways to Give

Our Adopt-A-Room program includes Ronald McDonald House (bedrooms, specialty, and family suites) and Ronald McDonald Family Room (bedrooms and common areas).

## So Many Reasons to Give

of someone you admire

In *recognition*

of an accomplishment

In *memory*

of someone in your heart

In *celebration*

of families everywhere

“*The families at RMHC Manitoba have their own unique stories, and yet, are bound together by one common thread, a sick child. We shared stories, laughed, cried, and reassured each other that we are together and we are home.*”

## Giving is Rewarding

Your adopted room will feature a custom name plaque displayed in the RMHC Manitoba House or Family Room program. Acknowledgment also includes an annual social media recognition post, Annual Report highlight, and an annual partnership report to show how your support impacts families. Tax receipts are issued for all Adopt-A-Room donations.
