About Us

Keeping Families Close™

Ronald McDonald House Charities® Manitoba (RMHC Manitoba) is an organization dedicated to keeping families together during difficult times. We operate two core programs: Ronald McDonald House® located at 566 Bannatyne Avenue and Ronald McDonald Family Room® located within the walls of the HSC Children's Hospital at 840 Sherbrook Street.

Volunteer Support

Our dedicated group of program volunteers are the heart of RMHC Manitoba, helping to keep families close to their sick or injured child. We also depend on various volunteer roles throughout the year to support our special events and other initiatives.

We are looking for caring and dedicated volunteers to aid us in our mission. Volunteer time and energy is paramount in making a positive impact on families and supporting family-centered healthcare.

Applicants must be 18 years of age or older. A criminal background check and child abuse registry check are required for all program volunteers once application has been accepted.

Volunteer Opportunities

Ronald McDonald House® & Ronald McDonald Family Room®

Ronald McDonald House is a "home-away-from-home" for Winnipeg and rural Manitoba families while their sick or seriously injured child is receiving care at a nearby hospital.

Ronald McDonald Family Room offers a home-like space for families with a child receiving treatment at HSC Children's Hospital.

Volunteer shifts are available seven days a week for both programs. Volunteers help by interacting with families and children, taking care of light administrative tasks, checking families in, baking, making beds, assisting with laundry and helping families feel at home. Parking is provided.

Special Events & Group Opportunities

We offer many different ways to get involved including helping out at our fashion gala, golf tournament, walk, preparing a meal for families or joining a committee. We also offer group volunteer opportunities at both core programs.
