

Building a Stronger Foundation for Families

Ronald McDonald House Charities®
Manitoba

The new Ronald McDonald House construction site at 62 Juno Street

With thanks to provincial, individual, organizational, foundational, corporate, private, and community donors, together, we are less than \$1M away from reaching our \$20.7M goal in support of the RMHC Manitoba capital campaign. Our heartfelt thanks and immense appreciation go out to all those who have helped build a stronger foundation for families and a stronger community for all of us.

OPENING JULY 2022!

Keeping families close®
